On April 28, 2007, all around the world people will be gathering at China's embassies and consular offices to protest China's violent repatriation of North Korean refugees. Here in Washington, DC, former refugees who escaped and their rescuers will join NGO leaders to call on China to end this cruel policy.

To avoid starvation, hundreds of thousands of North Korean refugees have fled to China to try to survive. Instead of working with the United Nations, the humanitarian agencies and the South Korean and US Governments who are willing to resettle them, Chinese authorities hunt them down and send them back to North Korea to face torture, imprisonment and even execution for the "crime" of leaving their country.

## 탈북난민 강제송환 저지 국제시위

전 세계적으로 중국의 탈북자 강제북송에 항의하는 시위가 각국의 중국 대사관 및 영사관 앞에서 열릴 것입니다. 워싱턴에서도 미국과 한국의 인권운동가들, 자유를 찾은 탈북형제들, 그리고 많은 인사들이 중국대사관 앞에 모여서, 지금 이 지구상에서 가장 핍박과 고통을 받는 우리의 형제들, 중국에서 숨어지내는 탈북 난민을 위하여 시위할 것입니다. 지금도 중국정부는 자신이 서명한 국제적 합의를 위반하고 매일 굶주린 난민들을 체포하여 강제북송하고 있으며, 탈북난민들은 북한으로 송환되면 조국을 떠났다는 "죄"로 고문을 당하고 감옥에 갇히거나, 심지어는 사형을 당하기도 합니다. 굶어죽는 우리 형제들을 핍박하는 중국정부에 항의합니다.
